Government having in their Regulation No V of 1918 amended clause (1) Section 59 (2) of the Municipal Regulation VII of 1906 whereby the Municipal Council having been vested with the power of raising the taxes on the vacant sites to a limit of 8 annas per 100 sq yards I have the honor to state that the necessity for increasing the taxes on vacant sites under the said authority was indicated by the Dewan in his notes of inspection dated 27th April 1921. The matter was therefore placed before the Managing Committee who in their Resolution dated 31st May 1921 recommended that the vacant sites should be taxed on the maximum amount of 8 annas per 100 sq yards. When the matter went up before the Municipal Council at their Meeting held on 11th June 1921 they sanctioned by a majority the levy of a tax of 4 annas per 100 sq yards.

In accordance with the Resolution of the Council a notice was published inviting objections, if any, for the levy of the said taxes (Vide Mysore Gazette dated 21st July '21 a copy of which is enclosed for ready reference) and as no objection has been received within the time specified therein, I request that you will be so good as to obtain the sanction of Government for levying hereafter a vacant site tax at 4 a.
